SUBJECT: CHANGE OF LEGAL NAME

Dear Customer,

We hereby inform you that **HEXPOL Rubber Compounding** has announced a significant step towards strengthening its global identity by deciding to operate under a **single unified brand**.

Therefore, the company names of 9 production sites in Europe and Turkey - including those of all companies of **MESGO Group** - will be changed and replaced with the name HEXPOL followed by the municipality where the Registered Office is located.

By unifying under a single brand and identifying local sites, HEXPOL aims to achieve the following **main targets**:

- maintaining local organizations and recognizing their distinctive company culture
- strengthening the global brand by improving its awareness in an always more competitive market
- standardizing customer expectations regarding the quality and reliability of the HEXPOL brand
- repositioning of HEXPOL's values and vision in the local markets
- reducing complexity in managing multiple corporate brands
- simplifying communication to the market

In the official announcement released by HEXPOL, here attached, you can read the following statement by **Ralph Wolkener**, President of Rubber Compounding Europe and Asia:

"It is more than a name update; it's about creating a unified presence that reflects our share. Our customers will benefit from greater clarity and confidence in the quality and reliability they expect from us."

Therefore, **effective from January 1st, 2026**:

- the new legal name of MESGO S.p.A. will be **HEXPOL Gorlago S.p.A.**
- all e-mail addresses will follow this structure: **firstname.lastname@hexpol.com**

VAT number, addresses, phone numbers, and web and LinkedIn channels will remain unchanged.

In the same way, all the strengths that have allowed MESGO to grow and establish over the years - becoming an **important reference point in the rubber sector** - will remain unchanged.

New name but same passion, quality, expertise, and level of customer service, which, as it has always been, will remain our top priority.

Thank you for your support, collaboration and trust you have always shown us on this long trip, and I take this occasion to wish you and your families my warmest wishes for Happy Holidays and a peaceful New Year.

MESGO S.p.A.
